

Triporteur

Belgian Original Maltbakery & Brewery

NIPPLE

Nipple, the perfect name to draw your attention to a classic Belgian trippel.

It is time to brew a naked version of a classic Belgian beauty. It's a trippel brewed with BOM malt and Belgian hop to give her the elegant sexy sweetness and natural perfume she is known for. No dress-up with new-world fashion hops or spices is needed to seduce all your senses.

Malt:

XXX- caramel: a soft roast of a hardcore caramel malt.

Hops

Blend of Belgian Hops.

Serving tips

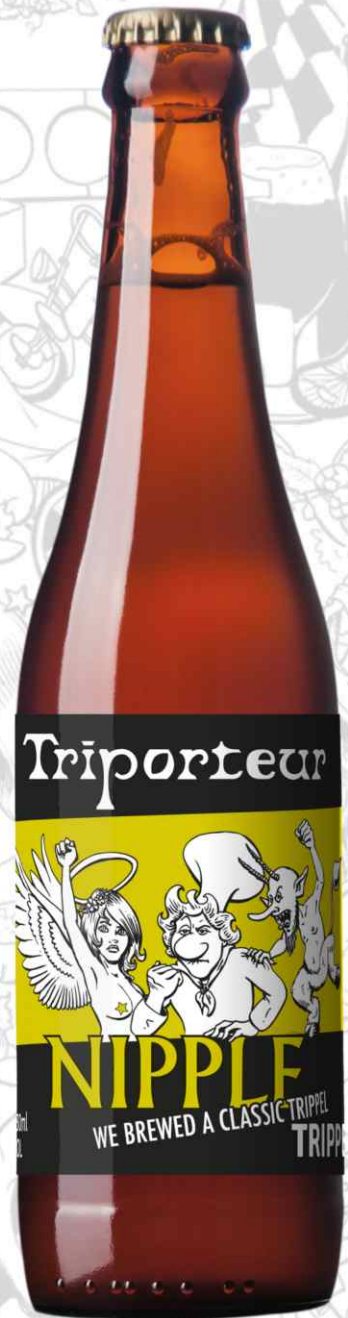

Best served in a BOM glass. Serving temperature of 8 -12°C.

Aging potential

This beer will age extremely well, but rather drink it now!

Fermentation

BOM yeast, top fermented beer, refermented in the bottle.
